

Town Report

AUGUST, 2016

- On June 21st, the Placer County Board of Supervisors approved the lease agreement for the Library building in Loomis. The lease has now been signed and the Town Manager will be meeting on August 10th with Placer County staff to coordinate the transition in the occupation of the building.
- Staff continues to work on a schedule to install the metal artwork on the Horseshoe Bar overpass. The Artwork has been manufactured. Installation should be complete before the end of August..
- Caltrans has scarified, mulched and hydro seeded the off ramp infield for the Town of Loomis. The Town will follow up with tree plantings in the future.
- On August 3rd there was a ribbon cutting for Motion Pro on Swetzer Road.

Streets

- Worked on the letters for the "Loomis" sign, which will be erected on the Horseshoe Bar Rd overpass. Ordered all of the hardware, tools, and equipment needed to install the sign, and prepping the letters.
- Cut branches hanging in the roads and in front of signs on Sierra College Blvd, Delmar Ave, Saunders Ave, Bankhead Rd, Barton Rd, Brace Rd, Rocklin Rd, and Laird Rd. Chipped the branches and unloaded the chips at the Corp Yard.
- Installed 2 "No Parking" signs on Walnut St between Callison St and Doc Barnes.
- Ground down 2 tripping hazards in the sidewalk at 5961 Becky Way.
- Replaced directional sign below truck route sign on Sierra College Blvd.
- Cut down dead tree in front of 5930 Becky Way.
- Worked with Davey Tree to cut down and remove a large tree on Horseshoe Bar Rd.
- Used concrete saw to cut sections of sidewalks that will be removed, due to tripping hazards.
- Took down the "Friday Family Fest" banner to be repaired, and put the banner back up.
- Picked up bark and dispersed it in the median on Sierra College Blvd at Taylor Rd.
- Picked up pile of garbage that was dumped on Rippey Rd.
- Picked up a sofa dumped on Sierra College Blvd, and another sofa dumped on Taylor Rd.
- Tightened the wires that hold the large banners over Taylor Rd.
- Replaced an intersection sign on Wells Ave, after it was vandalized with graffiti.
- Patched 4 tripping hazards in the sidewalk at 6125 Thornwood Dr.
- Replaced a Laird St sign at Thornwood Dr.
- Set out barricades with stop signs after the signal light went out on Sierra College Blvd at Brace Rd.

- Took 15 gallons of hazardous waste to the dump, after it was picked up from the side of the road on Indian Springs Dr.
- Picked up trash and several garbage bags from The Blue Anchor Park, Sunrise Loomis Park, and around town.

Storm Preparations and Response

- Responded to a Sheriff's call-out for a sinkhole on Oak St at Magnolia St, and barricaded the area off for safety.
- Exposed collapsed culvert pipe at Oak St and Magnolia St, then marked around the culvert for a USA, so we could pull out the old culvert pipe and replace it.
- Oak St. was closed to cut and jackhammer the road above the rusted culvert pipe. The old pipe was removed, and replaced with a 12" HDPE pipe. The hole was then filled and compacted with crushed rock, and road base. Then the asphalt was replaced and compacted.

Parks, Landscaping, and Buildings

- Replaced solenoid in a valve at the Sunrise Loomis Park.
- Replaced broken parts in 2 drinking fountains at the Sunrise Loomis Park.
- Cleaned and organized shop and shipping container at the Corp Yard.
- Cleaned and organized scrap metal at the Corp Yard.
- Loaded all of the chairs from the Depot and dropped them off in the Raley's parking lot for the ribbon cutting ceremony with Cal Trans.
- Adjusted nozzles on the spray pad.
- Built a paint cleanout box to flush the paint machine after it's used to paint the roads.
- Replaced 2 locks on the dog waste bag dispenser.

Inspections

- Checked and inspected various grading permits, encroachment permits, and erosion control in Sierra de Montserrat, Monte Claire, and on Barton Rd.

Equipment and vehicle maintenance

- Replaced hydraulic hoses on the bucket truck.
- Replaced all six tires on the F-350 truck.

PW Crew

- Received annual hearing test at Miracle Ear.

Public Works Director

- Prepared bid documents for the 2016 Road Rehabilitation Project. Work includes full depth restoration for Webb Street and sealcoat and restriping for Blue Anchor Park.
- Worked with Placer County, Roseville, Rocklin, Lincoln and Auburn on four workshops throughout Placer County to inform residents and property owners on the updates to the Flood Insurance Rate Map from FEMA.
- Continued work on the design for the Downtown Implementation Plan.
- Attended coordination meetings with our local agency partners.
- Reviewed the plans for several residential projects.
